*Festival of the Arts*

22<sup>nd</sup> Annual  
April 2019

**Notes to Audience and Participants**  
**Tempo Festival of the Arts**

**We thank you for your cooperation.**

All entrants in music classes must hand an original of their piece to the secretary of the session in which they are playing before the session begins.

No practicing in the festival hall in the thirty minutes prior to the session.

Performers must provide their own accompanist. A chord may be given on the piano at the beginning of an unaccompanied selection. Only dance classes may use taped music.

The executive has the right to alter the order of the program to accommodate unforeseen circumstances.

In the event of a withdrawal, there will be no refund of the entry fee. If unable to perform, the entrant is asked to contact the emcee or secretary as soon as possible. Please contact Brenda for any questions of cancellation.

We would request that performers arrive at least 15 minutes before the session begins and that they remain in the festival hall until their class is over.

**Audience Etiquette**

We respectfully request that audience members maintain a quiet atmosphere.

Enter or leave the festival venue only between performances or after the adjudicator has completed comments.

There is a pause in proceedings while the adjudicator is writing and a shorter space of time immediately after adjudication. At those times it would be appropriate to come and go.

**NO PHOTOGRAPHY, VIDEO OR AUDIO RECORDING WILL BE ALLOWED DURING THE ADJUDICATOR'S COMMENTS.**

It is never appropriate to discuss grievances with the adjudicator. Please feel free to contact a festival committee member. Your comments are valuable and will be taken with great respect. All decisions of the adjudicator shall be final. Any complaints or protests should be made in writing and given to the secretary by May 1<sup>st</sup>, 2019.

Under no circumstances should a complaint or protest be made directly to the adjudicator.

Participants, parents and teachers are discouraged from discussing festival results with the adjudicator

Thank you for your understanding.

Our Adjudicators are a vital part of the Tempo Festival. They are amongst the best that Manitoba can offer in their area of expertise. Finding and hiring an adjudicator begins in June of the previous year due to the demands of teaching and festival work.

Tempo is non-competitive and offers a relaxed and constructive atmosphere for both entrant and professional. We appreciate the extra time adjudicators may have during the day to offer suggestions to the presenters. We are grateful our adjudicators can share their love of the arts with our community. In turn, we are happy to be able to share our local talent with them.

A special Thank you to Golden Prairie Arts Council for printing our programs
